

**KWC**

**KWC** Soap dispenser

For every kitchen.  
For every style.

KWC. The ultimate choice

# Harmony in design and function

The soap dispenser system – from round to square

Modern style, design or bent – they are the perfect complement to your taps. Their design has been precisely matched to our existing lines to create a harmonious overall look. Thanks to multi-coloured variants, they can be ideally matched to your taps and your interior. Whether modern, iconic or classic - design your kitchen to suit your style.

Modern style

Modern design

Modern bent

Modern, minimalist, round  
Suitable for KWC INOX, ONO

Modern, minimalist, angular  
Suitable for KWC AVA

Modern, minimalist, curved  
Suitable for KWC BEVO E, ENIA E,  
LIVELLO

Elegant design in stainless steel

Quality that impresses: our soap dispensers with a brushed finish are made of high-quality stainless steel – durable, corrosion-resistant and resistant to wear and tear. The elegant soap dispenser for the KWC ERA line was specially developed for this stainless steel design and perfectly complements the overall look.

Iconic

ERA

Full of character, iconic, striking  
Suitable for KWC EVE, KIO, ZOE

Aesthetic and sleek stainless steel  
Suitable for KWC ERA line

## Function meets classic aesthetics

Whether you are looking for affordable functionality or classic aesthetics - the BASIC and Classic style soap dispensers are the ideal choice for fittings with gentle contours and offer proven KWC quality at an attractive price.
