Press release

KWC BROCCA : Radial purism

KWC BROCCA wall head shower, stainless steel (available from Q2/2025)

With its slim silhouette and compact shape, the KWC BROCCA fits harmoniously into any designer bathroom. Its minimalist design with sharp contours and a subtle appearance embodies discreet and timeless aesthetics.

Invigoratingly compelling

The minimalist KWC BROCCA shower head combines a gentle rain effect with efficient water consumption – for a comfortable and soothing shower experience.

Striking colour variants

Three high-quality materials give the bathroom an unmistakable touch: purist elegance in brushed stainless steel, modern industrial style in matt black or timeless brilliance in chromeline.

Functionally refined

The adjustable angle allows for individual positioning, while high-quality anti-scale raised spray nozzles make cleaning easier. Thanks to the easy installation and the choice between round or rectangular escutcheons, the spray head fits seamlessly into any bathroom environment.

KWC Group Ltd.

As an international premium manufacturer of faucets and fittings, we are the epitome of Swiss quality, iconic design, and sophisticated functionality for product solutions in bathrooms, kitchens, and catering environments. Whether in the private or (semi-)public sphere – every single one of our products reflects almost 150 years of experience, expertise, and outstanding craftsmanship.

From the heart of Switzerland, we strive to sustainably enrich people's quality of life.

KWC. The ultimate choice
